

DexSnake

Roadmap

Building a smarter, simpler, and more connected DeFi experience.

Q3 2026 — Launch

Platform launch, wallet integration, token discovery, and core DEX functionality.

Q4 2026 — Multi-Chain

More networks, liquidity sources, improved routing, and real-time market data.

Q1 2027 — Advanced Trading

Portfolio tools, market analytics, watchlists, and advanced trading features.

Q2 2027 — Cross-Chain

Bridge integrations, cross-chain swaps, and a unified multi-chain experience.

H2 2027 — Ecosystem

Developer tools, new DeFi integrations, partnerships, and ecosystem expansion.

The journey is just beginning.
